Re: Buckingham Senior Living Community Bankruptcy

To Our Clients:

We are forwarding this letter to you regarding the "Ballot for Voting to Accept or Reject the Debtor's Chapter 11 Plan of Liquidation" you have received from the Buckingham Senior Living Community. There will be more information coming soon from the Unsecured Creditors Committee but we wanted to provide you certain initial information.

The plan proposed by the Buckingham has serious adverse implications for your interests as residents and former residents. The enclosed statement from the Unsecured Creditors Committee states that the Committee "... does not support the Plan and does not recommend that creditors vote to accept the Plan."

We recommend that you vote to REJECT the plan. We have attached page 4 of the document you received to show where to vote to REJECT. Further, you should NOT elect to "OPT INTO the Third-Party Release." Do NOT check the box. If you do, then you will not be able to continue to be a part of the lawsuit we are attempting to bring. By checking the box to OPT INTO, you are releasing the people and entities we want to sue.

More information will be coming very soon but we wanted you to understand that if you OPT IN you will release any claims we may attempt to pursue on your behalf.

Very truly yours,

Reese W. Baker
